Software Download Instructions

- 1) Select the software that you want to download
 - a. This will prompt the download of a **.ISO** disk file. Once the **.ISO** has been downloaded, you can find it in your **Downloads** folder.

- 4) Select **OK** to close the **Properties** dialog box
- 5) Right-click on the .ISO file, and select Mount

C		Mount
		Burn disc image
e of t	2	Edit with Notepad++
ens v	È	Share
		Open with
ation		Give access to
£:		, , , , , , , , , , , , , , , , , , ,
		Restore previous versions
; on (Send to >
ated:		Cut
dified		Сору
esse		Create shortcut
		Delete
bute		Rename
:urity:		Properties

This will mount the .ISO file to your machine as if it was a DVD Drive called "DVD Drive (F:) AVEVA".
